

Write your personal life philosophy in 20 words or less. Create an 11" X 17" poster to display the philosophy in a all-typographic, visually pleasing manner. **Print and bring to class unmounted Tuesday, 08.29.17.** Visit [twitter.com/jarredderraj](https://twitter.com/jarredderraj) and listen to "How to Overcome Anxiety and Stress with Michael Gervais" for a writing primer.

**NOTE:**

Please take this seriously and spend a generous amount of time thinking about this and thoughtfully writing over the next 5 days! Take ownership of the statement with design by crafting an engaging typographic poster. There are no rules other than keeping your philosophy at 20 words or less.
