

## Portfolio Submission Instructions | Ideas + Styles

- Save out high quality documentation of finished work for both projects. The following formats (or a combination of these) are acceptable:
  - > *High res photo-documentation of packaging / objects*
  - > *PDFs or high quality mockups for flat work (posters, etc...)*
  - > *Full screenshot exports for screen based work (app, web, etc...)*
    - \*Links to invasion prototypes are acceptable as well IN ADDITIONTO screen shots*
- Label each project accordingly—feel free to have a folder for each project if needed
- Compress all files/folders into .zip labeled “YOURLASTNAME.zip”
- Collect on airdrop or flash drive by the beginning of the final day of class for submission
