

NAME:

My research topic is _____.

I want my research topic of _____ to be specifically focused on _____.

Through use of _____, I will explore _____ to show that _____ . My goal is to _____.

OUTSIDE EXAMPLE (Rough) Using Howard Schatz as a reference:

My research topic is Body Image & Eating Disorders.

I want my research topic of Body Image and Eating Disorders to be specifically focused on its prominence in sport and athletic culture.

Through use of photography, I will explore and document diversity of physical body types within sport and athletic culture in a hardcover book format. My goal is to show that there is not a single body type that defines an "athlete" in hopes of reducing prevalence of body image and eating disorders in athletic culture.
